"a-g" Subject Requirements. The University of California and the California State University require the following for admittance:

Area	Subject	Required Year(s)	Recommended Year's
a.	History/Social Sciences	2	2
b.	English	4	4
c.	Mathematics	3	4
d.	Laboratory Science	2	3
e.	Language Other than English	2	3
f.	Visual and Performing Arts	1	1
g.	Electives	1	1

Total Required Subjects 15

Community college courses can be used to complete "a-g" subject area requirements as long as the course is a UC/CSU transferable course. Students must complete 11 of the 15 (minimum) subject requirements prior to the start of 12th grade for UC eligibility. Many online programs are available, please consult your ES or contact the Guidance Department.
